

Bill Hicks & Co., Ltd. Announces Holosun Technologies as new Product Line

Bill Hicks & Co., Ltd., a full-line distributor for the hunting and shooting sports industries, is pleased to announce the recent addition of Holosun Technologies to their product line.

Holosun Technologies, located in Walnut, California, was established in 2013 by one of the industry's most successful OEM manufacturers. Holosun has quickly made a name for themselves by creating innovative optic, laser/IR technologies that benefit a broad range of shooting, hunting, law enforcement and military needs. Using the quality manufacturing standards demanded by some of the best known optics brands in the world, with a wide range of affordable options, we provide military grade optics without the military grade price.

Our product line includes innovations such as; 50,000 hr. battery life, solar options, the ability to change reticles with the press of a button and units that utilize the most recent advancements in laser and LED technology.

"Bill Hicks & Co., Ltd. is very excited to add Holosun to our accessory line-up and we are happy we can provide this excellent product to our customers," said Evan Ranz, Purchasing Agent at Bill Hicks & Co., Ltd.

Holosun Technologies products are now in stock at Bill Hicks & Co., Ltd. Call your sales associate today: 1-800-223-0702.
